General Warning to New Models.

Coast Models continue to provide safety advice for all new and aspiring models. Our professionalism and authenticity, which we believe are key, makes it our priority to inform of continued unscrupulous individuals targeting new models and people using social media and direct approach tactics falsely using Coast Models and other leading agency brands.

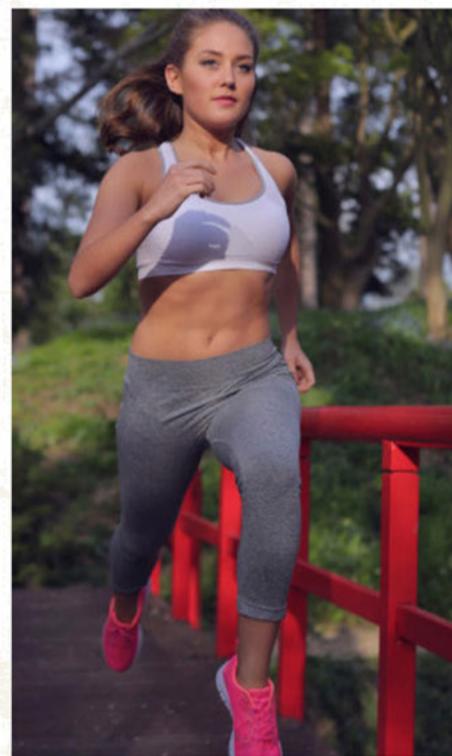

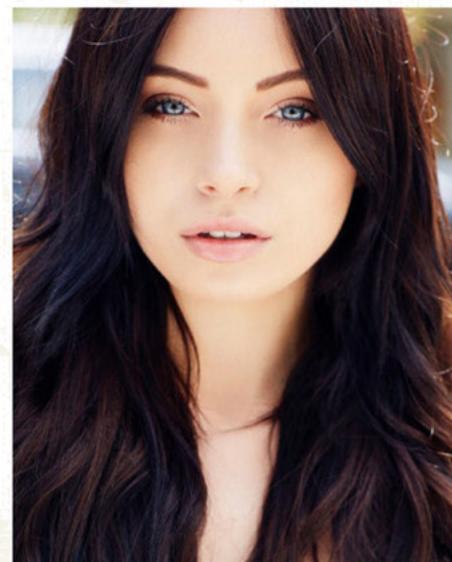

Be aware there are many individuals, fake photographers and scouts using the internet claiming to be affiliated or members of Coast Models. Should you be contacted by anyone claiming to be any of the above, you should first contact our office immediately so we can verify their identity.

Coast Models never conducts interviews via Skype, never requests nude or lingerie photos and never requires any money from applicants.

If at any time someone claiming to be a booker, scout or manager of ANY model agency contacts you, inform your parents or a responsible adult.

Coast Models would like to wish you the all the best with your career.

We've been busy...
